

Disclaimer

1. Content of the online offer

Comax Industrial Signals Ltd does not guarantee for the topicality, correctness, completeness or quality of the information made available. Claims against Comax Industrial Signals Ltd for liability for any material or non-material damage which has been caused by the use or inobservance of the information presented, or by the use of incorrect and incomplete information, is excluded, unless evidence exists of wilful or grossly negligence by Comax Industrial Signals Ltd. All offers are subject to change without notice and are not binding. Comax Industrial Signals Ltd expressly reserves the right to amend, to add or cancel parts of the pages or the whole offer without prior notification, or withdraw the website for a particular period or for good.

2. References and links

Comax Industrial Signals Ltd only accepts liability where links are directly or indirectly given, if it has knowledge of the contents and it would be technically possible and reasonable for it to prevent use in the case of content contrary to law. For contents going beyond this, and in particular for damage arising from the use or inobservance of such a type of information, the publisher of these pages alone is liable and not the one who simply refers to them. This limitation also applies for entries made by third parties into guest books, discussion forums, chat rooms and mailing lists. Comax Industrial Signals Ltd is not responsible for entries made there by third parties. Entries which are qualified to be a racial or sexual offence or contemptuous of mankind will be deleted as soon as known.

3. Copyright

Comax Industrial Signals Ltd endeavours to observe the intellectual property rights for drawings, sounds, pictures and texts in all publications published, and will, if possible, only use license free drawings, sounds pictures and texts. If any drawing, sound, picture or text should be used by Comax Industrial Signals Ltd, this would mean that the copyrights could not be identified for such objects. In case of such an unintentional infringement of copyrights, Comax Industrial Signals Ltd shall remove the corresponding object from its publication or identify it with the appropriate copyright. For published pages prepared by Comax Industrial Signals Ltd all copyrights remain solely at Comax Industrial Signals Ltd. Duplication or use of such drawings, sounds, pictures or texts electronically or for printed publications is not permitted without the prior consent of Comax Industrial Signals Ltd.

4. Data protection

Where the opportunity exists for supplying personal or business information within the website such as e-mail addresses, names or other information, disclosure of this information is voluntarily made by the user. The use of the information contained in the website is permissible without giving any personal data or using a pseudonym.

5. Legal force of these provisions excluding liability

This exclusion of liability is to be considered part of the Internet offer to which reference has been made on this page. The remaining parts of the document shall be unaffected in their content and validity if any parts or words of this text should not correspond with the legal situation applicable.
